

ANNUAL REPORT – 2023

- Encouragement and applause has always been the hallmark of Rani Laxmi Bai Memorial Schools.
- The stinging devotion and dedication of the staff members was praised in a surprise Felicitation Ceremony hosted by Manager, Sri Jai Pal Singh. He inspired the staff to always cherish the feeling of being an Indian and keep the spirit of excellence burning in one's heart.
- The life lines of the school, the children were appreciated for their excellent Board results and honoured with mementos and certificates.

- A consistent annual feature the Investiture ceremony was held where newly appointed office bearers donned the mantle of upholding the traditions of the school high and performing their duties to the best of their abilities.

- To inculcate 20th century life skills in the children, Weekly as well as monthly celebrations of important days, through a plethora of various sports and art integrated programs, competitions and campaigns were held under School Health and Wellness, Eco-friends, Youth-Tourism, heritage & culture, and literary initiatives.
- Students joyfully participate in CBSE activities like Expression Series, reading challenge, AQAD, Story-telling competition, Ek Bharat Shrestha Bharat activities, Pariksha Pe Charcha, Azadi ka Amrit Mahotsava, Vibhajan Vibhishika, to name a few.
- Awareness Quiz on G-20 Summit as Lucknow was given a unique opportunity to communicate our democratic ethos to the world, Road Safety Week under 'Swachhata Pakhwada'2023, Vigilance Awareness Week, and Veer-Gatha Project were the key notes. Active participation of all students is mandatory in any activity as per their age, skill, aptitude and ability
- Interschool Academic Competitions, Subject-wise Exhibitions are also organised where students are showered with certificates and prizes.

- As of every year, students actively demonstrated their scientific and creative skills in preparing science models. Some students participated in Inspire Awards and deservingly won Rs 10,000/-. They qualified for the next level.
- Health and safety of all stakeholders is a top priority. A series of Vaccination Camps for all age groups was organised in the school campus.

- Physical and mental well-being is catered through one of the most awaited, active and loved class of the day which is the games - sports period. Series of Sports and games challenges, Inter-school Sports Competitions, as per age appropriate level, are organised where winners as well as participants get medals and certificates.
- 'Never giving up' was the maxim that young challengers had in mind while participating in the Sahodaya organised Mini Olympiad-Basket Ball under -19 championship.

- School has always taken the first step towards any progressive and dynamic initiative. Keeping in touch with the New National Education Policy, our students appeared for CBSE - SAFAL assessment held for grades 5 & 8.

- Teachers physical, mental, social & emotional competence is enhanced through pre-service and in-service trainings held throughout the session. Emphasis on diverse techniques of teaching, for grooming different intelligentsia, thru learning by doing, experiential learning and stress on effective learning outcomes is highlighted.
